Einheimische Reptilien und Amphibien

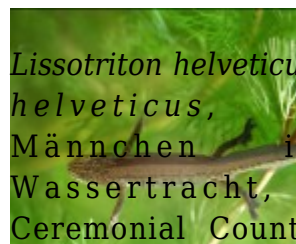

Herpetofauna Großbritanniens

Andreas Nöllert · Samstag den 28. Februar 2015

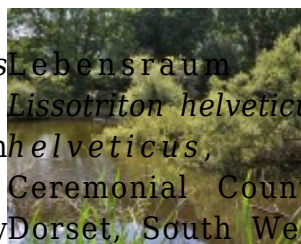

Literaturliste, Herpetofauna und Lebensräume Großbritanniens (Vereinigtes Königreich Großbritannien und Nordirland)

- **Arnold, H. R. (1995):** Atlas of amphibians and reptiles in Britain. - ITE research publication no. 10, Centre for Ecology and Hydrology, Natural Environment Research Council, HMSO Publications Centre, London, 40 p.
- **Beebee, T. J. C. (2013):** Amphibians and Reptiles. - Naturalists' Handbooks 31, Pelagic Publishing, Exeter, 170 p.
- **Beebee, T. J. C. & R. A. Griffiths (2000):** Amphibians and Reptiles. A Natural History of the British Herpetofauna. - The New Naturalist Library, a survey of British Natural History, Harper Collins Publishers, London, 270 p.
- **Farren, A., Prodöhl, P. A., Laming, P. & N. Reid (2010):** Distribution of the common lizard (*Zootoca vivipara*) and landscape favourability for the species in Northern Ireland. - *Amphibia-Reptilia*, 31(3): 387-394.
- **Inns, H. (2009):** Britain's Reptiles and Amphibians. A guide to the reptiles and amphibians of Great Britain, Ireland and the Channel Islands. - WILDGuides Ltd., Old Basing, Hampshire, 164 p.
- **Langton, T. E. J. & D. Ovenden (1989):** Snakes and Lizards. British Natural History Series. - Whitted Books, London, 125 p.
- **Pickett, J. (1986):** Notes on the Reptiles and Amphibians of Epping Forest, past, present and future. - *The British Herpetological Society Bulletin*, 17: 37-45.
- **Simms, C. (1970):** Lives of British Lizards. - Goose, Norwich, 128 p.
- **Smith, M. A. (1973):** British Amphibians and Reptiles. - 5th Edition, Harper Collins Publishers, London, 322 p.
- **Spellerberg, I. F. (1986):** Conservation of Reptiles in Britain and their Role in Monitoring Changes in Biological Systems. - pp. 747-753 in: Z. Roček (Ed.) (1985): *Studies in Herpetology. - Proceedings of the European Herpetological Meeting (3rd Ordinary General Meeting of the Societas Europaea Herpetologica) Prague, August 19-23 1985.* - Charles University, Prague.
- **Taylor, R. H. R. (1963):** The distribution of amphibians and reptiles in England, Wales, Scotland and Ireland and the Channel Isles: a revised survey. - *British Journal of Herpetology*, 3(5): 95-115.
- **Tonge, S. (1986):** The Herpetofauna of Jersey. - *The British Herpetological Society Bulletin*, 17: 18-21.

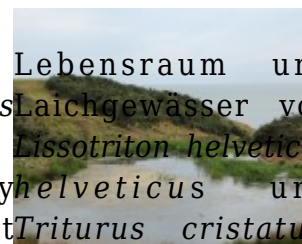

- **Wildlife Advisory Branch (1983):** The Ecology and Conservation of Amphibians and Reptiles endangered in Britain. – Nature Conservancy Council, London, 93 p.
- **Wilkinson, J. W. & R. A. Griffiths (2013):** Amphibian declines and conservation in Britain. – pp. 48-57 in: Heatwole, H. & J. W. Wilkinson (Eds.): Amphibian Biology. Status of Conservation and Decline of Amphibians: Eastern Hemisphere, Part 3 Western Europe. – Pelagic Publishing, Exeter.
- **Wisniewski, P. J. (1984):** Distribution of Amphibians and Reptiles in Glamorgan, South Wales. – The British Herpetological Society Bulletin, 9: 29-34.
- **Wisniewski, P. J. (1989):** Newts of the British Isles. – Shire, England, 20 p.

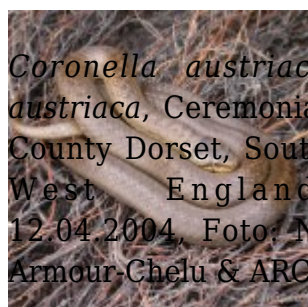

Lissotriton helveticus
helveticus,
 Männchen
 Wassertracht,
 Ceremonial County
 Dorset, South West
 England, 05.04.2005,
 Foto: F. Holmes &
 ARC.

Lebensraum
Lissotriton helveticus
helveticus,
 Ceremonial County
 Dorset, South West
 England, 08.08.2010,
